presents

Bal Bharati Public School Model United Nations 2022

30th - 31st July 2022

Venue: Zoom

FROM THE PRINCIPAL'S DESK

Ms Meenu Goswami
Principal

With identities transcending geographical and political borders and our nationalities taking a back seat, we are evolving into a Global Community with Global citizenship as the future. In such a scenario, developing universally acceptable proposals to solve pressing global issues would be the first step. At Model UN, young delegates learn how the international community acts on its concerns about topics including peace and security, human rights, the environment, food and hunger, economic development and globalisation.

'The earth is but one country and Mankind its citizens.'

We should nurture and appreciate the young generation of today to be thinkers, creators, and pathbreakers of the future. These youngsters, as global citizens, will build a world order on the edifice of human values of universal peace, love, and co-existence. MUN provides the perfect platform for this futuristic endeavour.

On behalf of the Bal Bharati Public School, Pitampura fraternity, I invite you to the inaugural edition of the online MUN conference on 30th and 31st July 2022 with an overwhelming response. I hope the debates and discussions in the MUN platform shall stimulate and act as a catalyst to precipitate these future leaders into great decision makers, and critical thinkers.
